Golden Mile Luxury

Live like royalty and lap up the luxury in this glamorous waterfront elevated apartment with uninterrupted views across the foreshore and glistening bay with the city skyline and Westgate Bridge forming a dramatic backdrop.

The ultimate in indulgence...this is more than a home it's a lifestyle experience that's designed to spoil and pamper. Designer detail from top-to-toe creates a polished penthouse style with sublime garden surrounds by award-winning Jack Merlo and endless Travertine flooring flowing from indoors to out.

One of only a handful of Melbourne homes to enjoy absolute foreshore frontage, the view takes centre stage from the sophisticated open plan living and dining wing which spills to a wrap-around terrace with elevated sea-viewing spa. The knock-out kitchen is a work of art with its Calacatta marble island bench, the very best appliances by Gaggenau and a Liebherr glass fronted wine fridge. A cinema room adds to the spoilt lifestyle.

Three bedrooms, all with luxury marble ensuites, the main with marble encased bath, continue the indulgence.

Impeccable inclusions include a dedicated internal lift, 4 car
